Omschrijving

Fornuis 90 x 60 x 90 - 6 gasbranders - 2 ovens multifunctie - energieklasse A - vapor clean reiniging - inox

DOUBLE OVEN

MAIN OVEN:

The generous 70 litre multifunction oven has 7 cooking functions including circulaire, 5 cooking levels, easy clean enamel interior and a number of accessories such as telescopic guides.

AUXILIARY OVEN:

The 35 litre secondary oven features static cooking and grill function, 4 cooking levels and an easy clean enamel interior.

There is also a handy storage drawer beneath the compartment for housing racks and trays when not in use.

GAS HOB

The gas hob features heavy-duty cast-iron pan stands and six burners, one of which is a powerful 4.2KW ultra-rapid burner, perfect for wok frying. Each burner has its own independent control ensuring maximum ease of use and professional results.

STURDY CONTROLS

Featuring solid, chunky metal knobs - the Portofino's controls are robust and extremely ergonomic.
